

## **FUGA-PAVE PARTS A & B**

### **LIFETIME GUARANTEE**

**TILERS TOOLS' FUGA-PAVE PARTS A and B ARE GUARANTEED TO BE FREE FROM DEFECTS AND CAPABLE OF ACHIEVING THE PERFORMANCE CRITERIA DEFINED IN THE PUBLISHED PRODUCT ASSOCIATED DATA FOR A PERIOD COMMENSURATE WITH THE REASONABLE FUNCTIONAL LIFESPAN OF THE INSTALLATION.**

This project specific guarantee is limited to the product purchaser and is subject to the following conditions:

- (a) The claimant is required to provide proof of purchase.
- (b) There must have been full compliance with storage, shelf life, mixing, application and finishing as defined in the published instructions and technical data current at the date of purchase.
- (c) The post application operating conditions have not exceeded those recommended for the product.
- (d) Claims should be notified in writing within five working days of the perceived product failure.
- (e) Reasonable access should be permitted for Tilers Tools technical personnel to inspect the product and/or installation and to obtain samples for further investigation.
- (f) The limit of liability under this guarantee is the value of replacement product. Indirect costs and consequential loss are excluded.

This guarantee should be interpreted in accordance with the laws of England. This guarantee does not affect the consumer's statutory rights.
