

## COMPLETE CLEANING SYSTEMS FOR ALL YOUR HARD SURFACES

SOLUTIONS FOR PORCELAIN, STONE, CERAMICS, MARBLE, GRANITE, LIMESTONE, TRAVERTINE, CEMENT, SLATE, QUARRY TILES, MASONRY PRODUCTS

## REMOVE-IT

### EXTREME RESIDUE REMOVER

A non-acidic cleaning powder designed to aid the cleaning process by helping to remove built-up dirt, traffic wear and stubborn marks.

Suitable for use on porcelain tiles and stone

- Removes built-up dirt and traffic wear
- Removes stubborn marks and build-ups
- Produces an even clean matt finish

Not for use on polished surfaces.

#### COVERAGE

The coverage will vary depending on the surface type (rough or smooth tiles) and the severity of staining.

### GROUT HAZE REMOVER

A high-quality acidic cleaner, ideal for cleaning outdoor and indoor tiles after installation. Great for removing grout, plaster, and general builders dirt.

Suitable for use on porcelain and ceramic tiles

- Deep cleans both your tiles and grout
- Removes grout haze left from installation
- Extremely easy to use
- Highly concentrated
- 100% biodegradable

Not for use on natural stone or cementitious products

#### COVERAGE

Initial wash/grout haze removal - 1:5 - 15m<sup>2</sup>  
Builders clean refresh - 1:10 - 30m<sup>2</sup>

### OIL AND GREASE REMOVER

Specially formulated to remove oily and greasy stains including cooking oils, food fats and general grease stains.

Suitable for use on porcelain, marble, granite, limestone and porous stone

- Ready to use
- Removes even the deepest grease stains
- Extremely easy to use
- Works great on driveways and grout lines
- Acts like a liquid poultice

### EPOXY REMOVER

Perfect for cleaning and removing built-up grout and residue on the surface of tiles. Works great on epoxy, resin and hybrid grouts that have become bonded to the face of the tiles.

Suitable for use on porcelain only

- Ready to use
- Excellent strong remover of epoxy residue
- Removes thick stubborn build-ups
- Softens and emulsifies quickly
- Effective fast acting formula

#### COVERAGE

10 - 15m<sup>2</sup>

# REMOVE-IT

## ALGAE AND BLACK SPOT REMOVER

A professional grade outdoor product, ideal for cleaning and removing the unsightly look of algae, grey lichens and black spots.

**Suitable for use on porcelain, natural stone and masonry products**

- Easy to use
- Restores the stone/tiles
- Perfect for professional and DIY users with caution
- Ready to use and very fast acting
